About Nord Anglia Education

Nord Anglia Education is the world's leading premium schools organisation. Our 54 international schools are located in China, Europe, Middle East, Southeast Asia and the Americas. Together, they educate more than 49,000 students from kindergarten through to the end of secondary education. We are driven by one unifying philosophy – we are ambitious for our students, our people and our family of schools. Our schools deliver a high quality education through a personalised approach enhanced with unique global opportunities to enable every student to succeed. Nord Anglia Education is headquartered in Hong Kong SAR, China. Our website is www.nordangliaeducation.com.

Our Family

- Nord Anglia Education was founded in 1972
- Nord Anglia Education is the world's leading premium schools organisation.
- Our global family includes:

  - 44 locations in 24 countries
  - Total capacity of over 69,000 seats
  - More than 49,000 students
  - More than 9,800 teachers, school and central support staff globally
- Our schools educate students from pre-school to the end of secondary education (exact ages vary by school)
- Curricula taught in our schools include the English National Curriculum, International Baccalaureate, American Curriculum, Swiss Curriculum, French Curriculum, and Shanghai National Curriculum

Our Philosophy

We are united by our philosophy, to be ambitious for our students, our people and our family of schools. We believe that:

- there is no limit to what every student can achieve
- creativity and challenge help us get better every day
- learning should be personalised to each child
- unique global opportunities enhance every student's learning experience

The 'Power of 54'

We believe that being part of our family gives our schools a special advantage – The Power of 54. Working together, we can achieve more than we can individually. Our schools have access to a wide range of resources and support to enhance their success. We also create unique opportunities to benefit our students and people, such as the Global

Campus, Nord Anglia University, and our collaboration with The Juilliard School, Massachusetts Institute of Technology, and UNICEF.
