TERM 2, 2013 - 2014

THE BISCAP PROGRAMME TERM 2

Welcome to the British International School Shanghai, Puxi Campus BISCAP Programme for Term 2, 2013/14

WHAT IS BISCAP?

BISCAP (British International School Community Activity Programme) is designed to augment the thriving sports teams by providing additional opportunities for our students, and the wider community, to focus on skill development in a number of areas.

BISCAP aims to bring external, high quality coaches and organisations into our school so that our students do not have to travel to other Shanghai locations. At present, activities include a variety of sporting activities but we plan to expand the programme over time, to include other disciplines. As with other specialist programmes around Shanghai, there is a charge for all these activities.

BISCAP activities take place at a variety of times, outside school hours.
Please note that programme hours often differ from ECA times.
The main body of term 2 BISCAP schedule runs from **Monday 13 January to Sunday 23 March.**

CHOOSING YOUR BISCAP ACTIVITIES

You can sign up for these activities by returning the attached BISCAP registration form, either by email or by sending it with your child to school.

The sign-ups are taken on a first come first served basis; if you send the slip into school please ensure that the slip goes directly to reception desk at secondary, primary or early years. The receptionist will make a note of the time and date the slip was handed in to school.

TRANSPORTATION

School transportation is generally not available, except for limited bus routes for students who finish at 4:30pm. For all other activities you will need to organise transportation for your child. Please see the registration form for more details.

If you have any questions about BISCAP, please contact our BISCAP coordinator, Mr. Thomas Hitchings t-hitchings@bisspuxi.com or the BISCAP Secretary, Jel Yang at Jel-yang@bisspuxi.com.

THURSDAY
