We are constantly looking for ways to improve and highly value your feedback.

As a direct result of this year's parent survey, we are busy implementing plans to improve.

Areas we're working on... 

75%

of parents say that their child receives the right amount of homework.

76%

of parents say the school provides them with the right amount of information.

65%

of parents say their child enjoys school meals.

97%

of parents say their
child is happy at
school.

Each year, Nord Anglia Education offers parents the opportunity to feedback on exactly how The British School of Guangzhou is performing. The results of this survey are collated anonymously and used to help affect change and improvement at the school.

We have presented highlights of the survey in this booklet. The full report and results from the 2017 survey can be found in the community feedback section of the school website.

“ Parent opinions and ideas drive the school forward. This year saw more responses from our community than ever and we would sincerely like to thank all who took part.”
