GOOD GAS

JO WAS A CURIOUS FARMER.

PARP

SHE WORRIED ABOUT GLOBAL WARMING DUE TO *COW FARTS.*

FARMER JO WONDERED,
"COW FARTS ARE BAD,
BUT TREE 'FARTS' ARE GOOD! HMM ...
THEY'RE ALL FARTS, AFTER ALL ..."

methane

PARP

Oxygen

PARP

OUR FARMER HAD AN EXCELLENT IDEA:

HYDROGEN (H_2)
+ OXYGEN (O_2)

WATER (H_2O)

"IF *HYDROGEN VEHICLES* CAN CHANGE HYDROGEN GAS INTO WATER ...

... COULD I MAKE A MACHINE THAT CHANGED *COW FARTS* INTO *WATER?"*

MILK

FARMER JO GOT TO WORK IMMEDIATELY.

CLACK CLACK

BANG BANG

AND SHE DID IT!

FARMER JO STOPPED HER COWS' FARTS FROM ADDING TO GLOBAL WARMING ...

... AND SHE GAVE THE FART WATER TO HER PLANTS & TREES.

YES!

YUMMY!
