

Year 5 Home Learning Menu

Starters: Numeracy

Name different shapes around your home.

Categorise your shapes into 2D and 3D.

Write some properties about your shapes.

Design some new shapes and write their properties.

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- Numeracy – Worksheet
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chillies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by 6 December!

- Create a collage in the style of an artist.
- Create a model of the Earth's crust. Can you tell interesting facts about the Earth and what is inside?

Sides: Family Fun

- Write a recipe.
- Create a poster about your favourite author.
- Paint a picture for someone in your family.
