Dear Parents,

We are in the process of finalising the number of classes for next academic year. The number of students on roll has grown over the past twelve months and we expect to receive further applications over the summer vacation, so we may be forced to introduce waiting lists for certain year groups.

To help us with our planning, we would be most grateful if you would indicate your intention for next academic year by completing and returning this interactive form by Monday 16 June 2014. We appreciate that your plans may change at the last moment on the basis of work contracts, examination results, etc, but would be grateful for an early expression of intent.

The form should be returned to re-registration@regents-pattaya.co.th no later than Monday 16 June 2014.
