

Dear Parents,

It's been a huge week of team sports for the NAIS Pudong Tigers, with volleyball, swimming and football tournaments keeping our teams and coaches busy during the week and over the weekend.

Our D1 and D2 Volleyball teams wrapped up their season with the D2 boys' and girls' teams performing particularly well to place 3rd for the season. It was a more mixed result for the D1 teams, but we are very pleased to see the teams progressing and once again building on this sport at NAIS Pudong.

Our Tiger Sharks made a splash at the first big meet of the year at SCIS Hongqiao over the weekend. The U11s took to the pool on Saturday, with the older swimmers competing on Sunday. It was a huge competition, with up to 25 heats in some of the swims, and for many of our swimmers it was their first taste of competition.

Head Coach Cheryl Philp reports that this weekend we broke 15 school records with a number of swimmers achieving three personal bests at the meet. Her pick for the swimmers of the meet, showing exceptional performances, are:

Saturday: Elle Tay, Juliette Le Godec and Sebastiano Castelletti

Sunday: Alex Steel, Charlie MacDonald-Butler, Aaron Yong & Amanda Yong

This swim team is really moving forward and, with increased team spirit and morale with our new kit colours, proving to be a great motivator from the team.

Finally, the CISSA football season is well underway. Last Thursday 15th October the C1, C2 and Junior girls achieved some good results and I feel sure we will see improvement in their next games.

Tuesday 20th October saw our CISSA NAIS Tigers boys' C1, C2 and Junior football teams compete, with a particularly good showing from the C2 NAIS Tiger's Blue team who beat Concordia by four goals to nil, the C2 Black team which beat SMIC 11 – 1, and the C1 Boys team beat a good Dulwich team by four goals to two.

Please go to the school website for a full roundup of volleyball, swimming and football.
