

HOW TO USE TAPESTRY

1. Go to the web address <https://eylj.org>

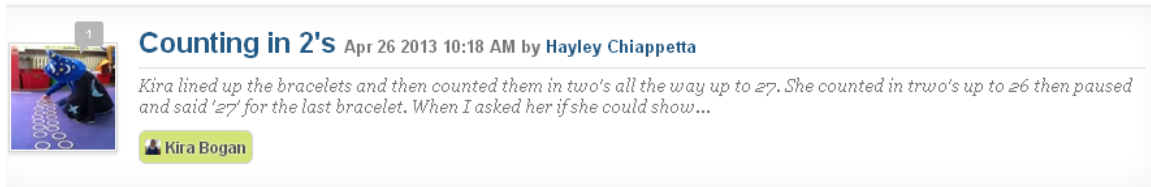

2. Type in your email address as the username
3. Type in the password provided to you. It is recommended that you change your password on your first visit.
4. You should immediately see all the observations for your child. You can click on each observation from the home screen or you can flick through using the arrows on the right and left after you have clicked on the first observation.

HOW TO COMMENT ON AN OBSERVATION MADE BY THE SCHOOL

1. Log in to Tapestry.
2. When you have logged in, click on the title of the observation you wish to view/comment on.

Counting in 2's Apr 26 2013 10:18 AM by **Hayley Chiappetta**

Kira lined up the bracelets and then counted them in two's all the way up to 27. She counted in two's up to 26 then paused and said '27' for the last bracelet. When I asked her if she could show...

It's really exciting to see Kira exploring maths and counting by two's! She said the other day "I can count by two's to 10", but I see that with the visuals of bracelets she can go higher. We can practice more at home.

HOW TO ADD AN OBSERVATION FROM HOME

1. Log in to tapestry.
2. In the home screen, click on Add Observation

3. Select your child's name from the dropdown box. Give the observation a title and write in your notes.

A screenshot of the 'Add Observation' form for 'Invicta Primary School'. The form has a title 'Invicta Primary School - Add Observation'. It contains several fields: 'Child' with a dropdown menu showing 'Please select a child' and an 'Add Child' button; 'Title' with a text input field; 'Created' with a date picker set to 'Friday 07, June 2013' and time pickers for '11' and '24'; and 'Notes' with a large text area for writing.

4. To upload a picture or video, click Add files, then click upload media.

A screenshot of the 'Add Media' section. It features a table with columns for 'Filename', 'Size', and 'Status'. The table is currently empty. Below the table, there are two buttons: 'Add files' and 'Start upload'. At the bottom right of the table area, it shows '0 b' and '0%'.

5. Finally, click 'save' to complete your observation and add it to your child's online journal.
