

# Home Learning Menu

## Personal, Social and Emotional Development

Can you help to tidy up your toys when you have finished playing at home?

## Physical Development

Can you help to put on your uniform for school in the morning?

## Communication, Language and Literacy

Can you use your listening ears and name the sounds you can hear at home?  
e.g. door closing, tv on

## Mathematics

Practise your counting skills up to 10 using household objects? e.g. How many carrots are in the fridge?

## Understanding the World

Go out for a walk and observe the changing of seasons, e.g. colours of the leaves, is it hot or cold?

## Expressive Arts and Design

Make a card for any of the celebrations you have learnt about in school.

## My must do weekly tasks...

To be completed on an ongoing basis each week throughout the half term.

Share your school library book and picture book with an adult for a short time each day. Ask a grown up to read TO YOU each evening too if they have time.

Can you name objects, talk about the pictures and what happened in your home language and English?
