15th October 2015

Dear Parents,

This week Years 3-6 had a special visit from Liz McColgan, who is an Olympic and World Champion medal winner for Athletics. She talked to the children about her career and achievements, which culminated in winning silver at the Olympic Games. Liz is planning to start our own Compass Athletics Club, so there will be more information about that later. Perhaps our children will be inspired by Liz's success and will go on to have an amazing career in later life.

Bugs and Butterflies Picnic

On Friday 13th November, we will be holding our annual school picnic from 8:00am-10:30am here at school. This year's theme will be: 'Bugs and Butterflies.' You may wish to dress appropriately for this event, or make a headband, or decorate a t-shirt. There will be a range of activities organised by the teachers, but if you have any suggestions, or are able to help with an activity, then please contact me. We provide some croissants, fruit and refreshments, but we encourage you to bring along a dish to share for the event.
