

Year 6 Home Learning Menu 16.11.17

Starters: IPC

Design, draw and label your own fairground ride.

Research the largest rollercoaster in the world.

Research a famous fairground from around the world.

Locate the largest fairgrounds / theme parks around the world, and locate them on a map.

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- Numeracy – Abacus online.
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by 6 December!

- Create your own lava lamp. The more creative, the better!
- Create a model of a rollercoaster. Your model should include the 'train' which should be mobile enough to stay on the tracks!

Sides: Family Fun

- Listen to a family member read a story.
- Set the table for a family meal.
- Complete an activity on Global Campus and write about it in your primary passport to earn a stamp from your teacher.
