

# Foundation 1 newsletter 2-11-2017

## A look back at the week

Some exceptional pattern building going on this week using natural resources.

## Reminders

Please ensure your child has a **change of clothes** in their school bag.

Please provide your child with a **long sleeve top** to wear if they feel cold.

## Next week we are continuing to:

- Listen to sounds.
- Retell the story of Goldilocks and the Three bears.
- Look at colours and textures through the book 'Brown bear, brown bear what do you see?'
- Explore the 5 senses.
- Count objects to 5 through number songs.

## At home

We have been exploring the story 'Brown bear, brown bear what do you see?' The book was written and illustrated by Eric Carle. He is an amazing artist and the children have thoroughly enjoyed creating the characters in the book to display in our classrooms. Why not create an art piece with your child in the style of Eric Carle. Talk about the colours and shapes they have used and discuss their picture with them. By modelling the way things are done children imitate and learn and in turn will develop their own thoughts and ideas. Please send in the pictures once they are done so that the children can share their creations.

## Top tip:

Creativity is a very important part of a child's development. This article talks about how you can foster creativity in your child.
