RE: RIVER BOAT TRIP- 25 APRIL

Dear Parents/Guardians,

We are organising an educational trip for the Reception children on a River boat, along the Huang Pu River. This is a great opportunity for the children to experience travelling by boat and looking at everything around them. This is a very well organised trip and the children will be very carefully supervised and safe at all times.

We will be taking a school bus from the school to the river; where we will board a chartered boat. The children will have a chance to have pictures by the boat, and then we will take a river cruise for approximately one hour. During this time the children will take in the spectacular views of the river. We will also be able to see other water transport in action.

If it is fine weather we will stop with the children to have a packed lunch picnic on the way back to school. If it is not fine weather we will continue back and the children will have lunch at school.

We would like to take at least nine parent helpers from each class. This will be organised on a first come, first served basis.

We understand that parents may be a little anxious and have some questions, so we will have a meeting for parents on Tuesday 15th April at 9:00am in the Early Years Cubs Canteen. If you are planning on helping with this trip we need you to attend this meeting.

This is a really exciting opportunity for the children to take their learning outside! Please return permission slips by Monday 14 April.

Thank you for your support,
The Reception Team
