** Availability of service depends on the demand.

- 1) Residences located within the ERP scheme will be subject to a surcharge to cover the prevailing ERP rates.
- 2) Two weeks' notice must be given to KAL Transport for new enrolments and changes of address. KAL Transport will arrange the service for the family. In the event the address is not within a usual bus service area, a bus service might not be possible from the new Condo/house and KAL Transport will propose a pick up point.
- 3) KAL Transport does not cover Island wide service due to lack of demand in certain areas.
- 4) Even with two weeks' notice for new enrolments or changes of address, the bus service is subject to availability and there may be waiting lists which KAL Transport will expedite (to avoid too many changes to the other children).
- 5) As KAL Transport serve an expatriate community, changes of address could be yearly or twice yearly when the rental leases finish. Hence, the bus routes are subject to regular changes.
- 6) One month's advance notice must be given to KAL Transport via email dcis@kaltransport.com.sg to cancel any bus service.
- 7) If KAL Transport are able to service distant areas, these buses might not have a bus attendant which KAL Transport will communicate first to the DCIS management then to the Parents.
- 8) No refunds will be made for the bus service being stopped within the month before school finishes.
