Personal, Social and Emotional Development

Share the events of your day with someone and discuss how it made you feel and why.

Physical Development

Use your imagination and fine motor skills to design a space creature from outer space.

Communication, Language & Literacy

Retell a space story to your family using Talk4Write actions.

Mathematics

Record all the 3D shapes you can find around your house.

Understanding the World

Can you make a list of all the planets in our solar system and draw what they look like.

Expressive Arts & Design

Make a rocket using recycled materials.

My must do weekly tasks:

To be completed on an ongoing basis each week throughout the half term.

Share your school reading book with your parents for a short time each day. Ask a grown up to read TO YOU each evening too if they have time. Practise your Rainbow Words. Can you put them in a sentence?

Practise writing your name; make sure you start each letter in the correct place. Use small letters except the first letter of your name. NB: Do not forget to use the correct pencil grip!
