### Thank you

- It was great to see so many parents at the ‘World War Two Learning Showcase’. Thank you for supporting the event and we hope you enjoyed the morning.

### Literacy

Students will complete their mystery stories. They will have the opportunity to ‘up-level’ their work and to discuss with their peers how to improve their writing. The students will write Christmas poetry for festive cards.

### Maths

Students will complete a mid-winter math challenge. This will be a consolidation of their learning this term.

### Art

Children will enjoy a range of winter-themed activities which could include Christmas decorations and cards.

### Dutch

Het heerlijk avondje is gekomen en in alle schoenen zat op vrijdagmorgen een chocosintje. Het sinterklaasthema is hiermee afgerond en de kersttijd begonnen. De kinderen zullen deze week starten met het werken aan de doelen van thema 5 (groep 4+ thema 10). In groep 6 en 7 ligt de nadruk op de verleden en tegenwoordige tijd van het werkwoord en de spelling van zwakke werkwoorden in de tegenwoordige tijd. In groep 4 en 5 werken we aan het herkennen van werkwoorden in een zin en het onderscheiden van de zinsdelen. Ook zullen we starten met uitgebreide instructies over de open en gesloten klanken in meerlettergrepige woorden.
