

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be starting our submissions for the writing contest.

In **Numeracy**, we will be adding and subtracting 4-digit numbers as well as counting in multiples of 6, 7, 9, 25.

In **Science**, we will be continuing with the topic of 'Solids, Liquids and Gases.' We will be conducting an investigation to explore if the changes in states of matter can be reversed.

Our **IPC** topic is 'Olympics.' Last week we finished up our topic of 'Fashion' by giving students chance to create their own clothes using recycled materials.

In **Art**, we will be creating Greek plates and pottery to show different events in the Olympics.

In **ICT**, we will be continuing with our research into the Olympics and will start to work in our Wiki pages.

In **PSHE**, we will be continuing our new topic 'Dreams and Goals' within our new PSHE Curriculum.

For **Spellings**, students will receive their spelling lists on Wednesday and will be tested on the list the following Wednesday. Students will have 9 or 11 words to learn during the course of the week.

### Notice & Reminders:

- Please remember to check your child's Communication Book daily.
- Please remember to like our Facebook page (Year 4) for updates from the Year group.
- School will close at 12:40 on Monday 12 February. The BBQ and Open Day will start at 14:00 and will end at 18:00.
- You are invited to school on Thursday 15 February as your child will be taking part in Sports Day. Please arrive to school at 08:30.

We hope you have restful half-term and we will see you all after the break!

Yours faithfully

Year 4 Team
