As a school, we always try to offer leadership opportunities for our students and our Year 4, 5 and 6 students have been busy preparing for their Student Council elections, taking place this week and next. The elected council will be introduced during next week's assembly.

Congratulations to our Year 3 and 4 athletics team on competing in the first QPPSSA Fixture of the year and our students who received certificates in assembly today. Find all our latest in school news on Facebook [here](#).

Next Wednesday, 14 October is World Maths Day where our students will have the opportunity to compete against others from all over the world. Click [here](#) for further information.

On Thursday some of our Year 5 and 6 parents will be challenging students in a live [Big Maths Beat That Challenge](#) during our assembly at 12:45. All are welcome to cheer on either team.
