

8th October 2015

Dear Parents,

This week we had a visit from a Fire crew, promoting awareness of fire prevention. They organised three different activities related to fire safety which they involved the children with. The children joined in enthusiastically, particularly enjoying meeting “Sparky” the mascot.

Playtimes

Please make sure that your child has a cap which can be worn during break and play times at school. This can be either our school cap, or a cap of your child’s choice. Please do not send souvenir caps which may cause upset if they get lost. We have a ‘NO HAT, NO PLAY’ rule, to stress the importance of wearing one in the playground. All hats need to be named. Thank you.

Friends of Compass International School, Gharaffa

With the new academic year now well underway, we are delighted to announce that we will be forming a new Friends of Compass International School Committee (FCS) for the coming year. FCS will be a social committee and will be a chance for willing parents to really get involved in our school community through helping to organise social events. We have lots of great ideas for parent events, as well as ideas for new activities and celebrations for our children to enjoy. I would like to invite you, our parents, to come and join us. We are keen for Mums and Dads to come forward and to put your names down as a member of FCS. Sign-up forms will be sent out to you via your class representative or can be collected from our school Reception desks. If you have any questions please visit our Marketing and Admissions Manager, Kathryn McCulloch who sits in the Admissions Office at our Gharaffa campus (E-mail: Kathryn.mcculloch@nais.qa. Alternatively, you can speak to any of our administration staff at either Gharaffa or Rayyan. All sign-up forms will need to be completed and handed in before Tuesday 20 October, 2015. There will also be an opportunity to sign up to FCS at our next coffee morning on Monday 19th October. As well as helping our school community, becoming a member of FCS is also a fantastic way to make new friends. Once we have a group of willing volunteers, we will call a meeting to elect a Chair and can start planning events for the year ahead. Please do put yourself forward – we need you!

A presentation to parents from our Maths leader Mr Hannon will take place in the Sports Hall on Sunday 11th October at 7:30am. All are welcome to attend this. Tea and coffee will be served.

6	Sun 11th Oct	Maths Parent Information Morning 7:30am Sports Hall
	Wed 14th	World Maths Day activities
	Thurs 15th	Assembly Y2-Y6 Eco Warriors Student Council swearing in World Maths Day activities

Best wishes, Margaret Pilkington
