Learning Journeys and Online Assessment

An introduction to online assessment:

- What is it?
- How will we use it?
- Parent access and involvement

The screenshot shows a web-based assessment interface. At the top, there is a navigation bar with tabs for 'Obs', 'Children', 'Analysis', 'Snapshots', and a search field. The main heading is 'Sophia making jokes', with a sub-header 'by Jonathan Dove added 21 May 2015 02:26 PM'. Below this, there are two assessment entries, the first one being 'Sophia Lange'. A large photograph shows a young girl with blonde pigtails, wearing a dark blue school uniform, sitting at a wooden table. She is smiling and looking at a purple plate with a piece of yellow dough on it. The background shows a classroom setting with a desk, chair, and a colorful rug. Below the photo, there is a 'Notes' section with a yellow background containing the text: 'Sophia is frequently making jokes with adults and children. She has a wonderful sense of humour.'
