11<sup>th</sup> February 2016

Dear Parents,

### Sports Days

All of the children have had the opportunity to participate in our annual Sports Days this week. Our Year 6 children had the experience of helping out with our younger children. This proved to be much harder than many of them thought, and I am sure that they learned a great deal about communicating with young, excitable children during the event! They had their chance to finally take part yesterday, enjoying the fantastic facilities of Al Saliya football field. We will hold assemblies to follow up the events and to celebrate successes on Thursday 25<sup>th</sup> February.

### Arabic Night

Next Tuesday (16<sup>th</sup>), our annual Arabic Night will be held at our Gharaffa Campus. Tickets are on sale at all campuses, so please call into the reception to purchase these. This is always a very popular evening, so we look forward to hosting this and welcoming you to this event. Some of our own Arabic children will be performing, there will also be cultural tents with demonstrations, and of course some delicious traditional Arabic cuisine!

### Juilliard Performing Arts Summer Programme

Just a reminder for children aged 10 and upwards about the Arts programme which has been organised by Nord Anglia Education. Please click on the link for further details of this exciting event.
