Our Philosophy

We are united by our philosophy, to be ambitious for our students, our people and our family of schools. We believe that:

- there is no limit to what every student can achieve
- creativity and challenge help us get better every day
- learning should be personalised to each child
- unique global opportunities enhance every student's learning experience

The 'Power of 46'

We believe that being part of our family gives our schools a special advantage – The Power of 46. Working together, we can achieve more than we can individually. Our schools have access to a wide range of resources and support to enhance their success. We also create unique opportunities to benefit our students and people, such as the Global

Campus, Nord Anglia University, and our collaboration with The Juilliard School, Massachusetts Institute of Technology, and UNICEF.
