

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Numeracy**, the children will be practicing numbers one more or less and two more or less using a number line or a 100 grid. They will locate 2-digit numbers on a 100 grid and a 1-100 bead string; read, write and say 2-digit numbers and understand them as some tens and some ones.

In **Literacy**, this week we are going to be preparing the children for their Big Write assessment. The children will be looking closely at adjectives. They will write adjectives to describe Snow White and the Evil Queen. The children will then write these adjectives in a sentence, ensuring they have used full stops and capital letters. After that we will look at capital letters and when they are used. The children will sort through different types of words and will decide whether or not it needs a capital letter.

In **Science**, this week we will be looking at mini beasts and their habitats. We will be comparing different types and will be going on a mini beast hunt around the school.

In **PSHE**, we will continue to work on anti-bullying. We will be discussing what a bully is and try to understand how being bullied might make you feel.

In **IPC**, the children will be finishing off their celebrations in Asia by making their own Chinese lanterns. In our second lesson we will start a short block of Qatari History. We will begin this by looking at the Islamic calendar and getting the children ready for Qatar National Day which is coming up in December.

In **Art**, we will be continuing to look at Pointillism. This week we will be using the technique of Pointillism to complete a picture.
