

Year 4 Home Learning Menu

25-01-18

Starters: IPC

Research the fashion trends of Qatar.

Compare the fashion trends of your home country to Qatari fashion.

Is fashion important? Write 2-3 paragraphs arguing 'yes, it is important' or 'no, it is not important.'

Design your own clothing line for children of your age.

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- Numeracy – Worksheet
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by 22 February!

- Create your own Olympic sport. Make a presentation explaining why it should be an Olympic sport. Be sure to create the rules and guidelines for the sport.
- Choose an animal and make a model of its habitat.

Sides: Family Fun

- Create a board game based on Numeracy with your family and then play it together.
- Make origami based pop art with your family.
