

# HEAR & SHARE

TUESDAY 26 NOVEMBER 7PM

Join the Principal and the Leadership Team for this first Hear & Share session of the year.

This is a forum for discussion of topics put forward by the Community;

we hear from the school team and have the opportunity to share all our experiences, thoughts and ideas. Refreshments will be provided.

For discussion:

- **High Performance Learning – “it’s not something we do, it’s what we are.”**

Understand the model of High Performance Learning, a unique approach developed by the Education Team at Nord Anglia Education. Find out the ways in which you can get involved and support your child to High Performance.

- **My Learning – “Homework for the 21st Century learner”.**

Uncovering the homework myths and discussing the Learning Logs that are being introduced throughout the school. Discover ways to support your children and keep them engaged and empowered in their home learning.

Venue will be selected nearer the time, depending on numbers.

## RSVP

Please complete below and return the slip to school via your child’s class or form teacher by Thursday 21 November.
