North Star Adventure Centre
Kit List

Please ensure all items are clearly marked with students' names

- Shoes / Trainers
- Trainers for water activities. ***'flip-flops', Crocks and Sandals are not suitable for water activities**
- Shorts and T-shirts
- Swim wear
- Sun hat and sun glasses
- Sunscreen
- Towel
- Wash kit
- Torch
- Sleeping bag
- Snorkeling equipment (optional)

Clothing should be suitable for rough, potentially dirty activities.

For safety reasons, where activities involve moving in and out of water on the beach, such as raft building, an extra old pair of training shoes is important. These shoes must cover the whole foot and have a decent sole to protect the child from the rocks.

Please do not allow students to bring any items of either great monetary or personal value. North Star cannot be held responsible for lost or missing items/valuables.

We discourage the use of mobile phones, electronic games, music machines and knives of any sort at the Camp. There are no electrical sockets in the accommodation.

Relatives who wish to communicate with students should do so through teachers or guardians via a mobile number given before departure.
