

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be creating mind maps and describing an animal or pet. We will continue to use question marks and recognise the difference between fiction and non-fiction. We will also be presenting about 'My Pet'. Please ask your child to think about a pet they have or would like to have.

In **Numeracy**, we will be sorting shapes using a Venn and Carroll diagram. We will also be showing 2digit numbers on different types of number lines.

In **Science**, we will be learning about rocks and what they are used for.

In **IPC** we are continuing our unit on toys. We will be designing and making a new toy out of junk modelling material.

In **ICT**, we will be learning to copy and save pictures to use in our own documents

In **PSHE**, we will be learning about one of the personal goals. We will be looking at what co-operation means and how we use to help others and work better together.

For **Spellings**, students will receive their spelling lists on Thursday and will be tested on the list the following Thursday.

Notice & Reminders:

- Please remember to check your child's Communication Book daily.
- Please remember to like our Facebook page (Year 2 Naisak) for updates from the Year group.
- Please remember to sign your child's Reading Record at least 5 times a week.
- Please ensure your child is wearing the correct school uniform and correct PE uniform.

Have a lovely weekend!

Yours faithfully
Year 2 Team
