Dear Parents,

International Week

Next week we celebrate International Week. Details of this were sent home earlier, and I am sure that the children are excited about a week of great learning activities. Please remember that on Thursday the children are invited to dress in their home country colours, or national dress. There will also be an International buffet, so please provide a dish for sharing. Please remember not to include nuts in this.

Today Year 3 were dressed up as Fairy Tale characters!

Well done to some of our certificate winners!

Calendar dates

Sun 17 th	ECA's begin International week begins
Thurs 21 st	International Day celebrations

This term's parent calendar has been updated with school production, desert trip and Arabic Night, (see attachment).

Swimming pool

In December we informed you that there would be alterations to improve our swimming pool. This work has been delayed, but the alterations will be going ahead shortly. The alterations will have a big impact on our Early Years children, as the improvements will make the pool much safer and more accessible for their needs. We will keep you updated on the progress with the alterations.

Lost property

We have accumulated quite a lot of lost property this term already. We will put this out under the tent during next week. Please take the time to check for any items which your child may have lost. Please remember to name your child's items, as we seem to collect rather a lot of items each week.

Best wishes,

Margaret Pilkington
