Welcome to the Global Campus

Welcome to the Global Campus

- Your child is part of a family of 42 schools
- This means you have access to opportunities not available in other schools
- Your child is in a global network of over 32,000 students
- Each Nord Anglia school has different resources, and the Global Campus allows us to share those resources across all our schools
- This will give your child access to expertise across the family of schools and our external partners (e.g. Juilliard)
- We are preparing your child to be globally and socially conscious adults, exposed to all cultures, developed as global citizens

Global Campus: connecting our students

Global Campus Online

Global Campus In School

Below the banner is a section titled "Introduction Heading goes here" with placeholder text.

The interface includes several categorized panels: "Primary Ages 8 - 11" with a child's photo, "Secondary Ages 11 - 18" with a student's photo, "Events" with a group photo, and "Competitions" with a trophy image. There is also a "Top 5 users" section showing user avatars and points, and a "Newsletter download panel" with a "Global Classroom newsletter archive" link.

Safety On-line

- We want to make sure that you are safe online. We take the threat of online abuse and cyberbullying seriously. To protect you from this there are things that we will do, and things that we need you to do to keep everyone safe and make sure everyone can enjoy the Global Campus online.
- **What we do to keep you safe**
- We have made sure that you have a safe area online and this is called Moodle. Students and teachers are the only people who can get onto Moodle, which isn't open to children or adults outside of the Nord Anglia family.
- We make sure that you have to have a log in to Global Campus online and can only access this through your in school Moodle.
- We ensure that we can check who all users are.
- All contributions are moderated.
- All adults working on the site are approved to work with students.
- If moderators see anything that should not be on Moodle it is removed quickly.
- All students are made aware of the online safety instructions.
