

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be looking at the past tense of verbs, descriptive vocabulary and strategies to develop our writing skills.

In **Numeracy**, we will be learning how to measure in centimetres and metres and how to use the formal written method for addition and subtraction.

In **Science**, we will continue with our topic 'Skeletons' and learn about how our skeletons support and protect us.

Our **IPC** topic at the moment is 'What's on the Menu'. We will investigate where different food comes from and will try and find the country of origin on a map.

In **Art**, we will be using different artistic skills and materials.

In **ICT**, we will start to make graphs using the data we collected last week.

In **PSHE**, we will continue to increase our knowledge of Human Rights.

For **Spellings**, students will receive their spelling lists on Wednesday and will be tested on the list the following Wednesday. Students will have 9 words to learn during the course of the week.

Notice & Reminders:

- Please remember to check your child's Communication Book daily.
- Please remember to like our Facebook page (Year 4) for updates from the Year group.
- Please make sure to send your child in with a reusable water bottle and cap.

Have a wonderful weekend!

Yours faithfully

Year 4 Team
