

Year 1 Home Learning Menu 8-3-18

Starters: Literacy

-  Read a story out loud to your family at home.
-  Complete vowel worksheet.
-  Complete sentence building worksheet.
-  Write your own poem in your home learning book. Can you make it rhyme?

Main Course – you **MUST** do these every week:

- Imagine you are in the jungle. In your home learning book, write some sentences to describe what animals you see and how you got to the jungle. Also describe what the jungle looks like to you.
- Spend 10 minutes a day on Reading Eggs.
- Spend 10 minutes on Mathletics.
- Practise your spellings with an adult. Remember to write them down as many times as possible.

- Everyone **must** finish the main course every week. **Work must be completed in your Home Learning books and returned to school on Wednesday of each week.**
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by 28 March.

Using different household materials create a 3D model of your bedroom. This project links closely to our IPC theme 'Our World'.

Sides: Family Fun

- Read a book with your family. Discuss the setting and your favourite character.
