We would like your feedback and suggestions about what we might change or adapt, so that we can tailor it to your needs. We want our communication portal to be truly collaboratively designed.

Please send your feedback to:

news@bisspuxi.com

If you are browsing other information sites over the next few days, spend a moment or two noticing what it is that you like about them, or not, so that you can advise us as we develop ours.

Thank you in anticipation of all your help.

Yours faithfully
