

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be focusing on verb tense and using the correct form of 'a' and 'an' in our writing.

In **Numeracy**, we will be learning how to find equivalent fractions and how to count up in fractions.

In **Science**, we will learn about drugs and medicine and how these impact our bodies.

Our **IPC** topic will be 'Digital Gaming.' Students will be introduced to this topic through an entry point consisting of classrooms being turned into games rooms to create excitement for the learning ahead.

In **Art**, we will miss the Art lesson due to the break.

In **ICT**, we will miss the ICT lesson due to the break.

In **PSHE**, we will start our new PSHE curriculum and learn about our differences.

For **Spellings**, students will receive their spelling lists on Wednesday and will be tested on the list the following Wednesday. Students will have 9 words to learn during the course of the week.

### Notice & Reminders:

- Students will return to school on Tuesday 31 October following the short half-term break.

Have a wonderful weekend!

Yours faithfully

Year 4 Team
