

## AFTER SCHOOL ACTIVITIES

### SEASON 2

21<sup>ST</sup> JANUARY – 3<sup>RD</sup> April (10 weeks)

**YEARS 1 AND 2**

### TUESDAY

#### Yoga & Stretching – Nora Bailey & Sara Li

A chance to stretch and relax in this fun and easy session for children in years 1 and 2. This ASA is suitable for complete beginners and those who have tried yoga before.

#### Playdough Club – Louise Luo & Candy Zhang

Children will let their imagination run wild creating masterpieces with play dough! There will be plenty of time to play, as well as to create more permanent items to take home.

#### Sewing – Cristina Pasco & Katie Li

This ASA is for boys and girls with or without any previous experience of sewing. Children will be learning the art of cross stitching and will be designing and making different pieces. As well as a fun ASA this will help with your child with the development of fine motor skills, creativity and patience.

#### Years 1 & 2 Indoor Athletics – Kayleigh Roberts & Elizabeth Lamb

Come and join in the fun if you enjoy running, jumping and throwing! Athletics club promises to be a great way to practise flexing your muscles. Plus it will keep you warm on a cold winter's day!

#### Beginner's Mandarin Chinese – Ellie Lee & Cynthia Wang

This ASA is particularly suitable for those children who have not yet begun studying Mandarin Chinese during the school day. This usually means those children who study English as an Additional Language instead of Mandarin.

## Chinese Guided Reading – Taurus Wu

This ASA is aimed at developing the children's Chinese reading ability. Using a variety of guided reading books, it will broaden the vocabularies for the children. Children will work in small groups to discuss and talk about the story in Chinese. They will also get a chance to work in a focus group and get guidance from the teacher. They will use level appropriate Chinese reading books to make their reading even better!

## Yr1 Cookery Club – Michelle Bourne & Airen Sister

In this popular and exciting ASA we will be offering Year 1 the chance to try out some basic cookery skills. Most of the recipes we tackle will be 'cold' cookery, such as smoothies, salads, ice lollies and other recipes that don't require the use of hot pans or ovens. There will be a small charge of 100RMB per child to cover the cost of ingredients. Please bring a small container with a lid each week so that you can take your goodies home to enjoy!

## Yr2 Cookery Club – Tim Lyddiatt & Elena Sun

In this popular and exciting ASA we will be offering Year 2 the chance to try out some basic cookery skills. Most of the recipes we tackle will be 'cold' cookery, such as smoothies, salads, ice lollies and other recipes that don't require the use of hot pans or ovens. There will be a small charge of 100RMB per child to cover the cost of ingredients. Please bring a small container with a lid each week so that you can take your goodies home to enjoy!

## Space Adventures – Nancy Coxon-Smith

In this fun club children will be learning plenty of amazing facts about space. Also children will be creating their own rockets, writing poems, solving problems, writing and reading stories. If you feel adventurous, please join me!

## Creative Throughout Winter Time (**Provided by German Primary School**) – Ruth Wagner

There are many ways to experience winter with all senses and creatively: creating wonderful winter sceneries, reading and listening to winter stories, making winter decoration and much more to fully interact with this great season of the year. Please note that this ASA will be taught in German and is aimed at GK1-4. Others may join on the understanding that a good knowledge of German is required for this ASA.

## WEDNESDAY

### KS1 Drama – Holly Dong & Elise Yu

If you love performing and being centre stage come to drama club! All budding actors and actresses should sign up to explore different techniques and types of performing.

### Taiji Fan – Cindy Xin

Taiji fan is a representation of traditional Chinese culture. It's a unique bodybuilding martial art exercise blending the movements of Taiji boxing and other martial arts and dances. The movements are strong and flexible, full of elegance and beauty and the impressive power of martial art. It is both ornamental and artistic.

### Fun with Clay – Sally Xu & Sunny Wang

This club is a real chance to have fun with clay. It won't be too structured, although plenty of ideas for making and creating will be given. There will be opportunities to make items to take home, or just to play. So if you would like to bash and smash, pull and push, roll and wrap then please sign up!

### Sing Up! – Leanne Harbord & Lucia Antonei

Sing Up is an exciting musical club for all of those who love to sing. Throughout the term we will be learning a mixture of modern pop songs, famous show tunes and some silly songs just for fun. So come and ignite your singing ability and build confidence through singing with Sing Up! This ASA is open to performers of any experience level from Year 1-4.

### Fine and Gross Motor Skills – Veronica Neresoff

This ASA will focus on pupils from KS1. The main goal of this ASA is to reinforce the use of small and large muscle groups to perform tasks like walking, balancing, hand and eye coordination, writing and cutting skills, through fun activities and used of strategies. These skills will help them to have progress toward school work.

### Chinese Singing – Ellie Lee

If your child is interested in music, they are welcome to join this club, which focuses on Chinese traditional singing. We will be learning through rhythm, so the children can learn Chinese better and understand more about Chinese culture. The children can learn the language in a relaxed and happy atmosphere.

## Chinese for German Speakers – Ellie Zhang

This ASA is aimed at providing continuing Chinese studies for those children enrolled in the 50-50 Chinese & German language option during the school day. If your child attends these classes, it would help us if you 'apply' on the ASA form in order to keep our records accurate. If you need further information on this ASA please contact [taurus.wu@britishschool.org.cn](mailto:taurus.wu@britishschool.org.cn)

## **THURSDAY**

### Winter Arts and Crafts – Michelle Wheatley & Lucy Ru

An arts and craft club with a chilly theme for the cold winter afternoons! Come and make some wintry creations with Miss Wheatley and Miss Ru.

### LEGO Club – Abigail Ede & Coco Jiang

If you like to build, model and get creative then LEGO club could be for you. This is a great way to develop teamwork and cooperation skills whilst having fun with friends and the LEGO bricks. Build and design, make and demolish but most of all come along and have a great time!

### Chinese Chess – Alicia Liu

Whether you are a beginner or an expert, why not come along and play Chinese Chess with us? Learn how to play this traditional Chinese game, then beat the opposition with your newly acquired skills! We will cover several kinds of game such as Chinese Checkers (tiao qi) and Chinese Chess (xiang qi).

### Yr1 Computer Club – Jennie Matthews

Learn how to log on and search databases to find out more information on your favourite subjects! Also, learn to use a range of other ICT equipment that rarely finds its way into our classrooms...

### Yr2 Computer Club – Mariam Khalik

Again, there will be a range of ICT on offer to our Year 2 children. There will be opportunities to make posters, manipulate words and pictures and much more. It will also be another chance to get out the equipment such as the Beebots that we don't get enough time to play with!

## KS1 Library – Sophie Liu

Library ASA is a great opportunity for the bookworms of the primary school to spend time exploring and having fun in the library. Read with a friend, discuss with a group or just curl up on a cushion with a book. If you love books and reading, this ASA could be for you!

## KS1 Homework – Rachael Thompson & Candy Zhang

This ASA provides an excellent opportunity to come along and get some help and support with your homework. Help will be provided with reading, spellings and basic maths. If you don't have any homework to complete, Miss Thompson has plenty of fun ideas for extra practice!

## Yr1&2 Paper Folding – Julia Huang

If you are interested in learning how to create some impressive models using only paper and your hands, then maybe paper folding ASA is for you!

## KS1 Team Games – Elizabeth Lamb & Airen Sister

Let's use up some energy by playing games together in the Multi-Purpose Room! A great chance to run around and keep fit throughout winter, playing mini versions of ball games and tag games.
