

Year 1 Home Learning

14-6-17

Reminders:

Please be reminded that school is closed on Monday 19 June for Student Reflection Meetings. Please arrive promptly to your appointment. Please also note that the school closes for the summer break at 12:00 on Thursday 22 June.

Dramarama week in Year 1

The Year 1 students have had great fun this week, developing their performance skills for their class play. The students have been learning lines, making props and rehearsing for their performance.

1N, 1A and 1S have been rehearsing for a rhyming version of 'Goldilocks and the Three Bears'. 1I have been preparing for their performance of 'Hansel and Gretel'. We have been very impressed with the student's confidence, enthusiasm and creativity during Dramarama week! The Year 1 students are looking forward to performing to the Foundation Stage and Year 2 tomorrow. Photographs of the performances tomorrow, will be on our Year 1 Facebook page.

Please use the following links to support your child with their phonic knowledge and reading skills: www.phonicsplay.co.uk, www.educationcity.com and www.readingeggs.com.

Numeracy:

This week in Numeracy the students have been taking part in a range of carousel activities, to consolidate their learning in Year 1. This has included playing online Numeracy games, Numeracy board games and a range of practical activities to support addition and subtraction, and problem solving. **Please support your child to complete the following tasks on Mathletics: Doubles and Halves to 10 or Properties of shape and position.**

IPC:

This week in IPC, the students have continued to develop their understanding of the topic 'All Dressed up'. They have been learning about weaving and have very successfully created their own weave, by following instructions and using strips of coloured paper. The students also looked at different artwork from around the world and more specifically looked at the repeating patterns within them.
