

Year 1 Home Learning Menu 15-2-18

Starters: Art

-  Colour in the mosaic worksheet.
-  Draw a picture of your favourite teddy bear. Make sure you colour it in carefully.
-  Research mosaics using www.kiddle.com and pick your favourite design. Can you re-create this in your homework book?
-  Research 3 facts about Islamic mosaics and write them in your home learning book.

Main Course – you **MUST** do these every week:

- Write a few sentences about your favourite animal in your homework book. Please use ‘because’ and ‘and’ in your sentences. Don’t forget to put a full stop at the end and a capital letter at the beginning.
- Spend 10 minutes a day on Reading Eggs.
- Spend 10 minutes on Mathletics.
- Practise your spellings with an adult. Remember to write them down as many times as possible.

- Everyone **must** finish the main course every week. **Work must be completed in your Home Learning books and returned to school on Wednesday of each week.**
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by 22nd February!

Using different household materials create three 3D shapes. Put the shapes you have created into a small shoe box. The shapes will be used as a learning center for the class.

Sides: Family Fun

- Go outside and draw a picture of a tree, a car or something you find interesting. If you have paint you can use it too.
