

Dear Parents,

We would like to take this opportunity to re-introduce Keita, the continued catering partner for BIS Abu Dhabi, and share our services for this year.

New Offering: Meal ordering program (open to all students)

We are pleased to announce a meal ordering program to enable parents to pay and order your child's meals online and in advance. Orders can be placed weekly or monthly, and the meals will be ready for pick up in the dining hall during the designated breaks timings. Parents can order one of two ways; online or through manual (paper) orders. Below is how these two options will work:

1. Manual order

- A manual order menu is attached, and from next month will be available on the school website (<http://www.nordangliaeducation.com/our-schools/abu-dhabi/our-students/student-life/what-we-eat>) or for collection in the dining hall.
- Parents need to circle what you would like to be served to your child.
- The menu will need to be returned on Thursday or before the end of the current month.
- The order can be done for the week or for the entire month.

2. Online Orders

- Visit www.keita.ae
- Click on Student / Meal card (on the top right-hand side)
- If it is your first time you will need to sign up as a new user, or Login if you are already registered (when signing up as a new user, you will need to click the activation email sent to you to activate your account).
- Complete your child's details, and then click on the online recharge key to top up your account. (the system will automatically generate a receipt for the payment acknowledgement)
