

## CONSENT FORM FOR OFF-SITE ACTIVITIES IN THE LOCAL AREA (2017-2018)

Dear Parents,

At NAIS we continually strive to offer creative and exciting learning experiences for our children where they can engage and enhance their understanding. One way of doing this is to take the children out of the classroom and out into the area around the school. This could be for any number of reasons such as traffic surveys, leaf and foliage collection or even to survey the public on a matter of debate. Rather than request your consent each time an off-site trip is planned, we would like to receive your consent once to cover all trips/activities throughout the academic year. Supervision will be as strict as on any external educational visit and trips will not exceed travelling further than 2km from the school and will not involve transport of any kind. Once you have given your consent, **your child's** teacher will be in contact with you prior to any trip to inform you that they will be off site.

Please sign and date the form below if you are happy for your child to:

- participate in school trips and other activities that take place off school premises
- be given first aid or urgent medical treatment during any school trip or activity

Please note the following important information before signing this form:

Trips and activities covered by this consent include:

- all visits which take place during term time, holidays or on weekends
- adventure activities at any time
- off-site sporting fixtures outside the school day, in the local area

The school will inform you of any trip or activity before it takes place.

You can, if you wish, tell the school that you do not want your child to take part in any particular school trip or activity.

Name of Child: ..... Class: .....

Parent Signature: .....

Date: .....
