# Design a T-shirt Competition

## Tanzania 2016-2017

# ***What is the competition for.....?***

---

- In November, we will be sending 12 students and 2 teachers to Tanzania in Africa, to represent DCIS at the Global Campus Worldwide Expedition
  - Each school needs to design their own expedition T-shirt which represents their school community and host country (Singapore!)
  - We would like to invite all students to design their own entry to our T-shirt design competition.
  - The winning T-shirt design will be used to design the real T-shirts used for our expedition students. The winner will also receive their own T-shirt!
  - Each school will then enter the global competition against all other Nord Anglia Education Schools – the winning school will receive a goat to name and donate to the local community in Tanzania in their honour!
