

Dear Parents,

This year, as part of our CAS project, we will be collecting clothing and hygienic products throughout the school, from the 10th of October to the 28th of October.

In this initiative, we are collecting blankets and warm clothes within our school community to donate to the homeless living in Shanghai. Our aim is to have all the donations collected before November so that we can distribute them before winter sets in.

We will be teaming up with the Shanghai organization 'Home, Sweet, Home' to help us fulfill the distribution of these items.

So, how can you help? By donating the items below, you will be providing a sense of warmth, comfort and humanity to the local homeless community in Shanghai.

What we need:

- ✓ Clean blankets
- ✓ Men's shirts, trousers and jackets
- ✓ Underwear and socks
- ✓ Shampoo
- ✓ Body-wash

As we will be donating this clothing and hygienic products directly to the homeless population, so please ensure all clothes are clean and washed (or new).

We are also wishing to include the broader community, by involving the hundreds of companies that the parents of the school community work at. It would be a great opportunity for your companies to improve their CSR by getting involved in the collection process. If you are interested in getting your company involved, please fill out the expression of interest form attached at the bottom of this letter and return it to front reception by the 14th of October.

If there are any concerns, please contact our group leader at: t-stamp@naispudong.com

Regards,

The 'Share the Warmth' team
