Camp rules

Dads are responsible for the kids they bring with them AT ALL TIMES. The event is run by Community Group volunteers; they are there to ensure the smooth running of the event but ARE not responsible for the safety or behaviour of the kids.

Please keep your mobile phone on you at all times so that if a kid gets lost or hurt we can contact you. Please point out a meeting point (perhaps Aspretto) to any younger kids so they know where to go to ask for help if they cannot find you.

General Information

Registration and admission will take place at the Main School Gate. There will be NO admission from the Early Years entrance. Parents will need to present a school issued parent ID or other form of photo ID for entry into the school grounds.

Weather

Camping is an all weather activity and in the event of wet weather the camp out will still go ahead. Tents will be set up outside. In the event of poor air quality (a reading of 200 or above) on Saturday morning the campout will be cancelled and all attendees will be informed.

Safety

The school nurse will be on site for the duration of the event and will be located in the staff room next to Aspretto. There will be security guards on duty at main entrance throughout the event should you need to call a taxi. Members of staff and the Community Group will also be present at all times.
