

Uniform Guide

**THE BRITISH SCHOOL
OF GUANGZHOU**
A NORD ANGLIA EDUCATION SCHOOL

www.bsg.org.cn

The uniform is an important element of the British School of Guangzhou. We believe it has numerous benefits; helping students to focus on their work and their activities while at school, encouraging positive social interaction amongst pupils and even making life a little easier for parents.

We also believe the uniform can help to create a sense of community. When worn properly, it generates a shared identity among pupils and can help instil a sense of pride and belonging. Parents play a critical role in realising these benefits by making sure that their children wear their uniform correctly every day.
