INTERNATIONAL FASHION SHOW AND PRESENTATIONS

THE INTERNATIONAL DAY AMAZING RACE

This year the International Day committee has designed an interactive and fun challenge based on the Amazing Race for students and parents to compete in teams. Each team is required to visit every country (stall) during the morning and complete the challenges and activities set by that country. This will result in your team being awarded a puzzle piece for that country. Collect all the puzzle pieces and put them together to reveal a final missing piece. Take your completed puzzle with the missing piece to the Amazing Race / Information Stand to receive a clue to find the missing piece. There is only one missing piece and the first team to find it and complete the puzzle wins the star prize! You can find out more from the Information Stand shown in the centre of the Oval. This area is where the International Day team will be located at all times and you will also find a number of fun games and activities, including a country quiz that also has a prize. Good luck everyone!
