You then arrive at Activity Choices. Choose your activities by typing a '1', '2' or '3' (i.e. first, second or third choice) into the 'Requested' box. *For each day you can request up to three activities, with the '1' being your first choice, '2' being your second, etc.* If your children do not receive their first choice, we will try and give them either their second or third choices. However, given the limited space in some activities, there is no guarantee your children will receive these choices. After sorting, we will offer alternative solutions if your children do not receive any of their choices. *NB: Each child can have a maximum of two ECAs per week.*

Remember, only those activities that are available to your child are visible. In other words, if your child is in Year 3, they will not see activities for Years 4-11. Also, if the activity you are interested in does not have a 'Requested' slot (eg Tennis), it means you must sign up directly with the outside vendor (eg Sports4Kids). Click on the blue 'i' for more information.

You have now completed the registration process. For continuing DCIS students, ECA random sorting will occur the first week of holiday and we will communicate your final ECA choices prior to start of term. New student sign up will be on orientation day and will be allocated the following day.

Please remember: *Each child can have a maximum of two ECAs per week.*

Initial allocation will occur via random sorting, however there may be adjustments made after to ensure all children have the chance to participate in at least one activity through the week. Some activities will be very popular and while you may not get your first choice, we will do our best to accommodate all requests.

We will be sending out an additional memo to cover bus transportation after ECAs.

Please contact us if you need any further assistance.

Kind regards,

ECA Administrators Dover Court International School
