A look back at the week

Building with large meccano

Reminders

We are looking forward to celebrating Book Week next week.

Please remember children should come dressed as a book character on Thursday 1 March.

They can choose a character from a book we have shared or one of their favourites.

Next week we are learning:

- about the book "Tall" by Jez Alborough
- to retell the story
- to make our own story books
- to recognise tricky words: all, they
- to use the digraphs: ai, ee, igh
- to measure
- to compare tall and short
- to know words to describe positions: under, over, above, beside, next to
- to describe and create animals
- to write words using phonics

At home

What is your favourite animal and why?
Please bring in a picture and perhaps some information about the animal to share with the class.

Top tip:

Please have a look at our Facebook page on the Nord Anglia Facebook page that has been shared.
