

# This Week in F1

11-06-2017

## A look back at last week...

This week the children participated in the house quiz. They had lots of fun!

## Reminders

We are still having our splash pool sessions every day except Tuesdays.

Well done to all our graduates! You were fantastic and we are so proud of your achievements this year.

## At home:

Why not make your very own Alien at home? Maybe you can make up your own story about your Alien and tell it to your Mum and Dad.

## This week we will be:

- Reading "The Way Back Home"-by Oliver Jeffers  
[www.youtube.com/watch?v=3q3lW1skUU4](http://www.youtube.com/watch?v=3q3lW1skUU4)
- Creating our own solar system
- Counting beyond 10.
- Learn about using technology.
- Continue to use the bee bot's
- Doing creative activities to do with space

## Top Tip!

Oliver Jeffers is a fantastic children's writer. All his stories come from what he imagined as a child. Those stories manifested themselves and now we have these incredible books. This is indicative of how Oliver Jeffers was allowed to explore as a child and develop his imagination. Here is an article on developing imagination in your child.
