

RISE

THE RISE PROGRAMME

Regents International School Pattaya is pleased to announce the launch in August 2014 of a new course: The Regents International Study and English (RISE) Programme.

RISE IS DESIGNED TO CATER FOR STUDENTS WITH A VARIETY OF AIMS, INCLUDING THOSE WHO WISH:

- To gain access to the IB Diploma course at Regents but who need to improve their English language skills first.
- To spend a rewarding one-, two-, or three-term period at our British international boarding school, improving their English, enriching their knowledge of a range of subjects and being introduced to the wonderful country of Thailand
- To study the IB Diploma or A-Levels at a British boarding school in the UK or elsewhere, but who need to improve their English language skills first
- To try boarding school life close to home before committing to move to a school further afield, such as one in North America or the UK

THE STRUCTURE OF RISE

Students on RISE will have a full timetable of activities from 08:30 to 15:30, five days per week. In addition, they will participate fully in our Extended Learning Programme of after-school activities, which includes the performing and creative arts, sports and outdoor challenge and community service. If they are boarders, they will also take part fully in the boarding life of the school in the evenings and at weekends.

Timetabled lessons will include:

- Small group, intensive English language tuition delivered by ESL specialists (40% of the timetable).
- Academic subject options including Mathematics, Science, Development Studies (History and Geography), Information Communication Technology (ICT), Art, Design Technology, and Business (60% of the timetable).

At the discretion of the Head of Secondary School, those on the Programme may be offered the opportunity to be entered for International GCSE examinations and/or English language qualifications.

ENTRY REQUIREMENTS

Regents International School Pattaya is an academically non-selective school which offers High Performance Learning opportunities to students with a wide range of abilities. All candidates for the RISE programme will be asked to sit written assessments before being offered a place on the programme. These are not 'pass or fail' entrance assessments – they are designed to help us establish how best we can support any given student on the course. All candidates will also be asked to provide copies of their two most recent school reports and undertake a short interview with the Programme Coordinator (by Skype or in person).

Students wishing to enter the RISE Programme are likely to be 15, 16 or 17 years old.

Acceptance on the RISE Programme does not guarantee progression on to the school's IB Diploma course. This is at the discretion of the Head of Secondary School and is subject to a student making satisfactory progress on the RISE programme.

BOARDING

Our purpose-built boarding houses provide a safe, happy and caring environment for students of all nationalities, religions and cultures, with girls in one boarding house and boys in another. We currently welcome students from over 20 countries. English is the common language used throughout the boarding school. We are an international member of the Boarding Schools Association.

TUITION AND BOARDING FEES

The tuition and boarding fees for the RISE Programme 2014/15 will be announced in May 2014. They are likely to be comparable to the school fees for standard entry into the Secondary School. As of February 2014, these are as follows:

Tuition Fees for 2013/14 (per term): THB 185,300

Boarding fees for 2013/14 (per term): THB 101,900

ESL Fees for 2013/14 (per term): THB 69,900

For a full list of current fees, including application fees, please visit www.regents-pattaya.co.th
