Well done!

TURN TO ME

When it all goes wrong
And you know it can
Who can you turn to
For a helping hand
Someone who knows
Someone who cares
When there's a burden
That you need to share

Turn to me, I'll be there for you
Turn to me, I'll comprehend
Turn to me, I'll be there for you
I'll be your friend.

When you need advice
And you know you do
Who can you turn to
When you're feeling blue?
Someone who knows
Someone who cares
When there's a burden
That you need to share

Turn to me, I'll be there for you
Turn to me, I'll comprehend
Turn to me, I'll be there for you
I'll be your friend.

The background features abstract, overlapping geometric shapes in various shades of blue, ranging from light sky blue to deep navy blue. The shapes are primarily triangles and polygons, creating a dynamic, layered effect. The text is centered on a white background that occupies the left and middle portions of the frame.

Feeling good
And the future's bright,
Wanna tell the world
That you feel alright
Tell someone who cares
Enough to share

Turn to me, I'll be there for you
Turn to me, I'll comprehend
Turn to me, I'll be there for you
I'll be your friend.

Turn to me, I'll be there for you
Turn to me, I'll comprehend
Turn to me, I'll be there for you
I'll be your friend.
