

Home Learning Menu

Personal, Social and Emotional Development

Be responsible for tidying up your own toys and games.

Physical Development

Practise playing ball games, like kicking a ball to a friend. Try dressing yourself into your pyjamas.

Communication, Language and Literacy

Practise your listening skills by retelling a carer what sounds you heard when walking in the park.

Mathematics

Look around your house for what shapes you can see? For example what shape is the window or the plate?

Understanding the World

Look at how the members of your family are similar or different.

Expressive Arts and Design

Dance to different types of music. Teach your family what songs you have learned in school.

My must do weekly tasks...

To be completed on an ongoing basis each week throughout the half term.

Share a book with an adult for a short time each day. Ask a grown up to read TO YOU each evening too if they have time.

Can you name objects, talk about the pictures and what happened in your home language and English?
