

Paid Co-Curricular Activities, Term 3 2016/17

As Director of Sport, I would like to take this opportunity to present a brief overview of all paid co-curricular activities for Term 3, including new classes in our Swim Programme. I believe this way you can see what is available for your child every day of the week.

Our clubs are run by professionals in our community or by our staff members. Our co-curricular activity programme continues to expand and provides opportunities for our children to become physically confident in a way which supports their health and fitness. They will discover and develop talents which build character and help to embed values such as fairness and respect, and of course will have fun with their peers in the process. There are a range of new activities to choose from this term and I'm confident they will be popular with our students.

Through engaging and participating in our excellent co-curricular activities programme hopefully we are instilling a desire to 'Love Sport for Life' in our students from such an influential age.

If you are interested in your child participating in one or more of the activities on offer then you will need to **select a place for your child on Moodle**. Once this has been **completed and confirmed** you will then need to complete the form at the back of this brochure and return it to the Finance Department with payment before **Friday 28th April 2017**.

I look forward to continuing our very exciting co-curricular activities programme this term and if you have any further questions then please contact me direct – roslyn.mcconnell@regents-pattaya.co.th

Kind regards

Roslyn McConnell
Director of Sport

Payment

Once a selection has been made on Moodle parents must deposit the correct amount for the selected Club/s in one of the school's bank accounts – please see details attached – **before a child can participate in a club**. All application forms must be accompanied by a bank pay-in slip. All payments must be made by **Friday 28th April 2017**.

Please note once we have past the deadline date we will not be accepting any new students in clubs. Also, there will be no refunds given due to your child being absent from clubs.

There will be a cut-off date for cancellation, if our Finance department have not been informed by **Friday 19th May** there will be 100% cancellation charge.

Dates

Clubs will start the week beginning **Tuesday 2nd May** and conclude in the week beginning **Monday 5th June**, therefore it will be a 6 week programme for most clubs.

The week beginning **12th June** will be used for any catch up sessions if a club has had to be cancelled due to the weather or through a coach's absence.

Confirmation

If you don't receive an email from myself then your child has a place within the club you have chosen.

Transport Home

Late buses are available each afternoon Monday and **Thursday at 4:25**. This service can only be utilised by those children who usually use the school bus service. Otherwise, parents need to provide transport home for their children.

****There is no late bus on Tuesday, Wednesday or Friday****

Club Details
